SOME EXCITING WAYS TO USE CUSTOM LABELED WATER

- Fundraising for your church, your school, or your fraternal organization. (See our FRONT page)
- A personalized remembrance of your special day. At [Wedding Receptions](#), and Graduation Parties, what a fresh new way for you to thank your guests. And why not start a new, healthier tradition and use bottled water as a Birth Announcement. It's hard to put your new bundle of joy's picture and stats on a cigar anyway.
- Promotion of your small or large business. It's a healthy business card; Great for Trade Shows, company picnics, and Thank You's.
- Showing community support; Athletic Clubs, Golf Outings, School Sports and Booster Clubs. What kid wouldn't be thrilled to see their picture on a bottle of pure, refreshing spring water?
- Spreading The Word! For those churches and religious organizations handing out bottled water on street corners.....why not let us design a label that has your church name, address and worship service times, along with your favorite Bible verse. Advertise God's Mountain, not Ice Mountain.

We will design and print your custom label with our top-of-the-line software and 4-color printer. All of our custom water bottle labels are printed on waterproof, pressure-sensitive polypropylene, so they are ready to take an ice bath.
